DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 and 17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record neither discloses nor teaches that a method of manufacturing a liquid crystal display device comprising various steps as claimed , more specifically, as the following:

the mother substrates are erected to be disposed parallel to the gravitational force direction and transferred after the thin film transistor unit cells and the color filter unit cells are formed on the two mother substrates [claim 1].

The closest reference such as Us 2002/0173060 A1 (Hiroki) discloses that using non-contact inspection method to inspect the liquid crystal cells by reading with CCD or the like a pattern formed on a substrate and by comparing the read pattern with a reference pattern. The prior art of record do not disclose that during manufacturing process the two mother substrates are erected to be disposed parallel to a gravitational force direction and transferred so as to manufacture the liquid crystal display device after the unit cells formed on the two mother substrate as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
